Here is the list of books which are available to borrow. There is a small charge for postage, packing & admin.

At the moment, we only have one copy of most of the books, although we hope to purchase more in the future.

Please complete the form below letting us know your choice and return it to us with a cheque for the fee and we will send the book out to you. If the book is unavailable your name will go on a waiting list for distribution as soon as it becomes available.

The book will be lent out for four weeks, please contact us if you feel you need longer. As long as there is no-one else waiting for the book, this should not be a problem.

These books are loaned on the understanding that they will be treated with the same respect as your own. If the book is damaged or lost a charge will be made to cover the cost of a replacement copy.
